

HIGH RANGE 4WD CLUB SA Inc.

THE FIRST ADVENTURE

TOWITTA

Saturday September 2nd 2006

Fantastic weather as the High Range 4WD club went on their first off-road trip in the company of the Northern 4WD Club, organized by Paul 'cuffs O'Dwyer'.

After the 23 vehicles left Gumeracha, we adventured through private property trails and back roads to hear the story of the building of the stone walls. Convoy rules were followed as we ventured to Saunders Gorge, through picturesque valleys, trivia questions were answered, and lollipop rewards issued.

BBQ's sizzled at Towitta Park where lunch was enjoyed by all, followed by a discussion and demonstration of recovery techniques.

This was a great opportunity to share experiences with other 4WD enthusiasts from the Northern 4WD Club and discover places this great state has to offer.
