Mr B Hobbs

Dear Brenton

The High Range 4WD Club is fast becoming a reality!

Potential members met recently and informally discussed the arrangements for the clubs future – an exciting time indeed.

The next meeting will be held at the Four Wheel Drive SA Rooms at Unit 2, 9 Cardiff Court, Cavan at 7.30pm on August 9th. Enter via Churchill Rd into Bradford Way, right into Newcastle Crescent, left into Stock Road and right into Cardiff...see map below. I look forward to seeing you at this meeting.

The club has also planned an inaugural BBQ drive, planned for Saturday Sept 2nd, see enclosed details, - you and your friends are most welcome. This drive will be hosted by The Northern 4WD Club SA Inc.

Yours sincerely

Martin Galbreath

South Australian Association of Four Wheel Drive Clubs
